## Instructions

**Each Applicant must follow these instructions when completing their Application.**

1. Read **Eligibility Requirements** on the Back of the Application for Insurance. Continue only if you are eligible for this insurance.
2. Complete the **Applicant Information** section on the Front of the Application for Insurance.
3. Complete the **Travel Details** section on the Front of the Application for Insurance.
4. Determine which Plan you qualify for by using the **Medical Requirements for Plan Categories**, found on page 2 of this Brochure. Check off the correct box, in the section **Premium Details** on the Front of the Application for Insurance, to indicate the Plan which you qualify for.
5. If you are selecting an **Annual Multi-Trip Plan**, find your base premium in the correct Rate Table on page 4 of this Brochure, based on the maximum number of days for each trip, the Plan which you qualify for and your age on the Annual Multi-Trip Effective Date. Transfer that amount to line **1** in the section **Premium Details** on the Front of the Application for Insurance. Also, indicate your choice of 8, 16, 32 or 62 days.
6. If you are selecting **Single Trip** coverage, use the Rate Table for the plan which you qualify for on page 4 of this Brochure to determine your **Single Trip Daily Rate**. It is based on your age at your departure date and the Total Trip Days which is the number of days between your Departure Date from Canada and your Expiry Date for Single Trip.
7. Transfer your **Single Trip Daily Rate** (based on Total Trip Days) to the **Single Trip Premium Calculation Chart** at the bottom of page 4. Use this chart to calculate the number of days of coverage you require: **Total Trip Days** less **Other coverage days** (the total number of existing days of coverage you may have on any annual plans). Multiply the **Single Trip Days** by the **Daily Rate** to calculate your **Single Trip Premium**.
8. Transfer the amount of your **Single Trip Premium** to line **2** on the Front of the Application for Insurance in the **Premium Details** section.
9. Carefully complete the rest of the **Premium Details** section on the Front of the Application for Insurance including **4. ADJUSTMENTS**. Choose your deductible, based on the table — **Deductibles (US\$)** on page 4 of this Brochure. Transfer the appropriate percentage to **Adjustment 4a**. Enter the premium amount in the appropriate boxes for all **Adjustments (4a to 4f)** which apply.
10. In order to calculate your total premium, add lines **3** and **4a to 4f** and enter the amount in your **Applicant total** box. Add each Applicant's total (if applicable) and enter it in the **GRAND TOTAL DUE** box. Indicate your credit card details (if applicable).
11. Each applicant must read, sign and date the **Declaration and Authorization** on the Back of the Application for Insurance.
12. Send us your completed application along with full payment.  
**FAX TO: 1-866-311-1181 or:**  
**MAIL TO: TRAVEL INSURANCE SPECIALISTS**  
**34629A Delair Road, Abbotsford, BC V2S 2E1**
13. These documents are not your **TravelHealth Medical Plan** policy. We will send your policy, wallet cards and a receipt as soon as your payment has been processed or you can download the policy from [www.tis.ca](http://www.tis.ca).
14. We calculate extension premiums by using the daily rate [including any **Adjustments**] from the current Rate Tables for the total trip length multiplied times the number of extension days. There will be a \$10 per person risk premium added to this result. A minimum premium of \$20 per person applies to each extension. Please see the **TravelHealth Medical Plan** policy for Extension details.

### Declaration and Authorization

**Each applicant must read, sign and date the Declaration and Authorization below**

I am applying for the TravelHealth Medical Plan (THMP) underwritten by Industrial Alliance Insurance and Financial Services Inc. (IA). I understand that this insurance can only be applied for prior to my leaving Canada. If I am paying for this insurance by credit card, I authorize this transaction to be charged to my credit card.

I understand that the Eligibility Requirements, as stated above, and the Medical Requirements for Plan Categories on page 2 of the Brochure, form part of the application/policy and are material to the risk and consideration for the insurance for which I am applying. I declare that all the information provided on this application is true and complete. I understand that if any material information necessary to complete this application is not disclosed, IA will void my policy coverage and I will not be covered for any benefits under the policy. Where I was unsure of my medical condition(s), as it pertains to this application for insurance, I consulted with my physician. I understand that in applying for coverage under the THMP policy it is my responsibility to be aware of all my medications and their purpose(s), as well as any medical conditions I have had or presently have. I understand that no statement made by me or any agent prior to or at the time of my application for insurance will be considered valid unless such statement has been documented and submitted in writing and accepted by IA prior to the completion of this application. If I am responsible for the payment of any deductible or found to be not eligible for this insurance under any section of the Application for Insurance or the policy, IA has the right to collect from me any monies paid out on my behalf.

I understand that the insurance applied for will not become effective unless the full premium and a signed (including any electronic signature) and dated copy of this application has been received by Travel Insurance Specialists (TIS). In the event that this application is not accepted for any reason, I will receive a full refund. I understand that all terms, conditions, limitations and exclusions in the THMP policy will apply and that only medical emergencies will be covered under this insurance. IA may use agents, brokers and service providers, to collect, use, store and/or process personal information and personal health information on its behalf, and such information may be transferred to these entities for the purposes described herein. Personal information or personal health information may be collected, used, disclosed, transferred, stored or processed outside of Canada and may therefore be subject to legal requirements in such foreign countries. According to the Canadian PIPEDA (Personal Information Protection and Electronic Documents Act) and U.S. HIPAA (Health Insurance Portability and Accountability Act) Privacy Practices, this authorization remains valid until any claim pending or disputed under a THMP policy issued as a result of this application is settled unless an applicable law specifies a shorter period, in which case it would expire within the period applicable under that law. I understand that my personal historical medical records may be requested as far back as needed to satisfy the terms and conditions of the THMP policy. This will remain valid as long as there is a claim or dispute reported to IA. A copy or facsimile copy of this application and Declaration and Authorization shall be as valid as the original. I hereby appoint my spouse, my blood relation if travelling with me, or my substitute decision maker, to act on my behalf in the event that, because of a medical condition, I am unable to make the necessary decisions with respect to my health status.

Should I have a claim, I authorize any physician, hospital, pharmacy, or other medical provider who has attended or examined me to release to and exchange with the Emergency Assistance Company or its representatives any and all information regarding my medical history, symptoms, treatment, examination or diagnosis for the purpose of administering the insurance, assessing the underwriting risk and reviewing any claim. The information contained in any of my medical records, including any results from investigative testing, will be the basis for assessing the validity of my policy coverage and any claim made. In the event that all required documents are not provided to the Emergency Assistance Company within 6 months following the date of loss, I understand that my claim file will be closed.

If this Declaration and Authorization is revoked, I understand that no claim will be considered until after the Declaration and Authorization is reinstated.

**I understand that any change in my health status or medication between the date I complete this application and the departure date of any trip which makes me no longer eligible (as per the Eligibility Requirements stated above) for this policy, which would result in a change in the plan for which I qualify or would change the stability status of a pre-existing condition (other than a minor ailment), constitutes a material change to my policy and I must notify TIS immediately.**

**I understand that if I do not immediately contact TIS regarding a material change in my health status or medication, any claim may be denied and my policy coverage may be voided.**

### *Note from the President:*

Certain provinces and territories are discussing the elimination of reimbursement from the Government Health Insurance Plan (GHIP) for Out-of-Canada claims. Ontario has already announced this change. Other provinces and territories will likely follow.

We would prefer not to raise rates to cover this extra claim cost, so we have done something fair and reasonable. This is called GHIP Replacement Cost.

If your province or territory does not offer reimbursement for any Out-of-Canada medical expenses at the time you have a claim under this policy and there are eligible medical expenses for a Hospital or Emergency Room (ER) visit, you will be required to pay US\$260 for the GHIP Replacement Cost. This US\$260 charge cannot be waived.

However, if you only have eligible medical expenses at a stand-alone clinic, dentist or doctor's office, the charge for the GHIP Replacement Cost will not apply.

The charge for the GHIP Replacement Cost is in addition to any deductible amount you have on this policy.
